

Thank you for choosing BRC

Established in 1979 and incorporated in 1983, BRC Group has grown into a leader in the research, development and manufacturing of high quality ergonomic office furniture and architectural walls. BRC is a Canadian-owned private company with modern manufacturing facilities in Georgetown, Ontario, Canada. BRC Group of Companies incorporates two companies under one umbrella brand: BRC Business Enterprises Ltd. for corporate office furniture and Stylwall Inc. for their architectural wall products.

BRC is a forerunner in blending environmental initiatives with the manufacturing of renewable and recyclable products. BRC uses materials and manufacturing processes which reduce Volatile Chemical (VOC) emissions in the office environment. All raw materials are both regionally sourced, assuring that only the best raw materials are converted to finished goods. BRC is committed to developing and offering the best-value products for the middle and higher end markets.

From OEM solutions to obscure designer requests to simply striving to be better, BRC provides creative and innovative customized solutions to complement any environment and use. Flexible manufacturing offers the ability for BRC to respond to client's special custom needs rather than having standard catalogue solutions. A wide collection of textiles, laminate finishes and wood veneer allows companies and individuals to express their brand and culture through a unique signature look.

All furniture is designed and manufactured to meet or exceed ANSI-BIFMA standards. Standard construction uses a combination of 3/4 and 1" material with optional 1-1/2" tops and metal to metal connections for a solid long-lasting construction. The newest edge banding technology, in which the edge tape is melted directly to the edge of the board, enables BRC to manufacture products with virtually invisible glue lines.

The BRC Team works hard to earn and keep your business, our success depends on it. If you have any questions or inquires, please contact us at info@brc.group or toll free at 1-877-260-4309.

We appreciate your business and look forward to hearing from you.

Warranty, Terms & Conditions:

BRC is pleased to offer one of the most competitive warranties in the industry. All furniture products carry a 10 year limited structural warranty. BRC furniture panel and table electrical cabling carry a three year limited warranty. All moving user adjustable components carry a five year limited structural warranty. All other electrical or electronic elements of BRC furniture carry a one year limited warranty.

For full warranty details, terms and conditions, please visit www.brc.group/warranty
