legend

* LPL and HPL are not a match

* Central Palette

code legend

T400 = Herman Miller laminates

T500 = Knoll laminates

notes

- all laminates are available in both HPL and LPL
- all laminates have matching edgebanding
- HPL color, texture, and sheen may differ slightly from LPL
- colors and/or textures shown are approximate

Prior to placing an order, it is advised to request a physical sample to see true color, texture, and sheen of the laminate.
