

LEG SURROUNDS

INTEGRATED WITH MESA

abrc

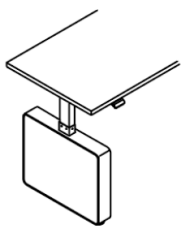

UPSCALE . CLEAN . VERSATILE

Mesa, BRC's highly sought-after height adjustable desk, offers the option to enhance its appearance by adding a surround to the legs. This addition, available in either laminate or painted metal, elevates the desk's aesthetic to a sophisticated and polished level.

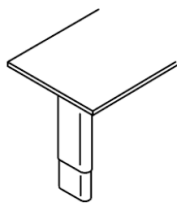

The surrounds are compatible with Mesa T-leg base, allowing for seamless integration. Furthermore, they can be effortlessly retrofitted onto any existing Mesa height adjustable desk installations, providing a convenient upgrade option.

Specs

SURROUND OPTIONS
