

Bookcases & Tall Storage

Overview

Let design meet creativity while maximizing your storage space with our full range of BRC bookcases and tall storage offerings. Choose from an open bookcase or multi-configurational towers with doors, drawers and more. Our tall storage is the perfect combination of practicality, strength and function while offering versatile storage solutions with attractive designs. With so many style options, as well as a large selection of surface materials and pull options, the possibilities seem endless!

Our tall storage can be configured to provide privacy and space division within an open office. On its own or as part of a larger solution, our tall storage is a valuable asset in maximizing your storage and making the best use of your work space.

Bookcases & Tall Storage

Specifications

Features

- BRC manufactures tall storage, can be configured to provide privacy & space division within the open office.
- Available in different styles and sizes to fit any office requirement.
- Available in all standard BRC finishes, with an upcharge for any custom finish.
- All exposed edges are manufactured with thermo rigid laser applied 3/32" (2mm) thick edging.
- Units have one inch of leveling
- Storage cabinets and filing units come standard with locks.
- Locks are standard with interchangeable cores. At time of order provide Lock & Key Order Form.
- Drawer pulls are standard on all storage cabinets and filing units.
- BRC products meet ANSI/BIFMA e3 Furniture Sustainability Standards, BRC is Level@ 2 Certified
- Pull out towers are not recommended to be specified with Flat Bar pulls.
- Grain direction is horizontal on tops and shelves while vertical for gables and drawer fronts.
- Standard caseloads construction is 3/4" thick low-pressure laminate (LPL).
- All low-pressure laminate panels are 45lbs density and finished both sides.
- Most BRC low-pressure laminate finishes can be matched to high-pressure laminate (HPL).
- Tops are available with two core/surface material options of 3/4" (19.4mm) and 1" (25.8mm) LPL.
- Drawer fronts come in an option of LPL or HPL material.
- Box drawers have 100 lb. rated, steel ball bearing sliders and are full extension.
- One pencil tray is included in every product with a box drawer that is pedestal sized - 15.5" wide.
- File drawers have 150lb rated sliders and have 1" over travel.
- File drawers include hanging bars.
- All pedestal file drawers accommodate legal size files side to side only and letter front to back or side to side.
- Wardrobes contain 1 fixed shelf and optional hanger bar or coat rod.

- Storage unit with adjustable shelves that are 3/4" thick, standard shelf adjustment is 1-1/4" (32mm) center to center and units with 3 or more shelves include one fixed shelf.
- Most parts are manufactured in a way that allows for replacement in the field.
- Storage units are shipped fully assembled.
- Storage products must be secured to an additional support structure (ie. wall or adjacent cabinet).

Optional Features

- For units that contain wardrobes options available to use coat hook or coat rod.
- The box/box/file can be substituted for the file/file on the pedestal in any configuration.
