

Viva Electric Height Adjustable Table

Overview

Viva is the product of 30 years of furniture manufacturing experience, and comprises a timeless, adaptable array of high-quality ergonomic tables and workstations. Viva Electric moves seamlessly and quietly to your desired height using a basic height controller. Viva Electric offers a highly-engineered, low-profile foot constructed of drawn steel, with waterfall front and back edges. All tables are optionally available with casters, wire management, ganging systems, monitor arm platforms, keyboard platforms, modesty panels and other accessories such as a Bluetooth controller.
