

Nest Table

Laminates

Most laminates are available in matching low pressure (LPL) and high pressure (HPL) finishes in 1.00" and 1.25" thick material with 2.5mm edge trim. Consult BRC's current finish line up for specific details on availability at <https://brc.group/resources/finishes-materials>. When specifying laminate top finish codes, the code applies to the worksurface or top of product only. These codes are:

MI - Indicates 1.00" thick LPL laminate

HI - Indicates 1.00" thick HPL (actual thickness is 1.125")

Feature List

- Worksurface with 2.5mm edge trim
 - Options: M1 - 1" thick LPL, H1 - 1" thick HPL
