

Pedestal

Mobile Personal Storage

Overview

Need to incorporate more storage solutions, but don't want to crowd your work space? Check out BRC's extensive mobile options. With 12 standard configurations to choose from, clients have flexibility in personalizing their space. Our mobile pedestal and cart options provide ample space for storing work tools, files and personal items.

At BRC, we know the details are important, so all of our pedestals come with a central lock, hanging file bars for letter or legal folders and even a pencil tray in the drawer! We have even eliminated the counterweight by engineering the pedestals to include a fifth wheel castor. Whether tucked under a desk or placed on the side to be used as a printer stand, you can now get organized with BRC's multi-functional mobile personal storage.
