

SoHo Executive Electric Height Adjustability with Storage

Overview

BRC is combining health-positive movement and efficiency with this attractive height adjustable desk that doubles as a storage solution. SoHo includes an executive base format, and is an ergonomic solution for managerial applications.

Adding to the sophistication of this product, the SoHo features an advanced control handset that allows users to track minutes spent standing and calories burned throughout the day. This useful function includes an alarm reminding users when it is time to stand.

Standard Switch Features:

- Lift up to raise, push down to lower
- 4 memory positions
- Digital height display
- LED light strip reminder
- Bluetooth
- Desk control app compatible

Soho Executive Electric Height Adjustability with Storage

Specifications
