

BRC values its community and its place within it. To demonstrate this value, BRC looks for ways to contribute to the community including, donations, volunteerism, sponsorship or participation. Along with BRC's commitment BRC encourages its employees to do their part to be responsible citizens of the community, by engaging in local events, fundraisers, community programs and conservation efforts.

As part of its commitment to the community BRC and its Management team has reviewed and chosen a number of charities to make donations on its behalf.

BRC donated a height adjustable table valued at \$1500.00 to the Rotary Club for an annual Silent Auction fundraiser. Proceeds from the fundraiser go towards High School Scholarships and Bursaries, Milton District Hospital, Big Brothers and Big Sisters, and the Lighthouse Grief counselling centre.

\$250.00 was donated to the Georgetown Hospital Foundation. Donations to the foundation fund investments in equipment and devices that help to improve technology and provide better tools to doctors who treat the residents of the community. BRC chose to donate to the Georgetown Hospital Foundation as it is a health care pillar of the community and serves to assist the many employees that live and work in the local community.

\$250.00 was donated to Cancer Assistance Service of Halton Hills. BRC has had many employees, friends or family members both past and present that have had or are undergoing treatments for this disease. BRC has chosen to support CAS Halton Hills for this reason and believe that CAS Halton is providing vital support to the community through supply and use of medical equipment, supplies, transportation, and palliative and respite care to individuals needing support.

\$250.00 was donated to Food4Kids Halton. BRC is committed to the community and acknowledges the challenges associated with food insecurity, especially with young children. Food4Kids provides packages of healthy food for elementary age kids with limited or no access to food each weekend. The food packages are assembled by volunteers and delivered to schools each Friday to ensure children have nourishment over the weekend. There are more than 900 children in Halton struggling through each weekend without food. It's hard to believe children in our very own community go hungry, but it's a reality faced by families each and every day. The worsening economy, job loss, illness, marriage breakdown, or newcomers who seek safe refuge in Canada, are some of the reasons families will turn to Food4Kids for support. Food4Kids Halton is funded through donations or one-time grants.

\$250.00 was donated to Georgetown Foodbank. To further bolster the support of the local community and those experiencing food insecurity BRC donated to help the local food bank address the needs of individuals in the community. The Georgetown Foodbank are a non-profit organization dedicated to providing food and other assistance to those needing help in the community.
