

# GALLERY PANELS

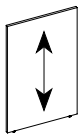

## SLEEK . BEAUTIFUL . ADAPTABLE

Looking for a way to create space division without an expensive and cumbersome way to do it? Look no further!

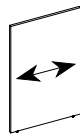

With BRC's Gallery Panels, space division is made easy with sleek, beautiful panels that are manufactured with BRC quality and precision. Create a complete space with these Gallery Panels or incorporate them as space division attaching them to your powered panel system. They are an excellent choice for the open office due to their ability to be customized for specific requirements and adapt to different spaces.
