

MANHATTAN TOWER

PULL OUT STORAGE

abrc

VERSATILE . EFFICIENT . CONVENIENT

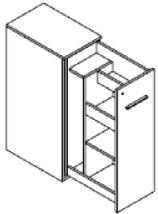

Introducing an innovative must-have for every office!

BRC takes pride in presenting this cutting-edge, space-efficient solution that takes versatility to a whole new level. Envision effortlessly pulling the handle and revealing a multi-functional, customizable cabinet equipped with filing capabilities, a wardrobe for your coat, and shelves for your favorite items, all conveniently at your fingertips! Take your pick from three standard configurations. All Manhattan Towers come with additional side panels to ensure the contents remain secure when the unit is pulled out.

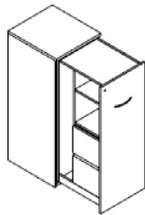

At BRC, we specialize in saving space, so let us help you transform your workplace into a productive space with the BRC Manhattan Tower!
