

FIT TABLES

abrc

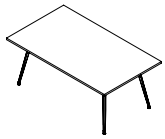

MODERN. VERSATILE. AFFORDABLE.

Fit Tables offer a perfect blend of modern design and functionality, making them ideal for conference and meeting rooms. Available in 8 distinct shapes, each table is supported by stylish chrome legs that add a sleek, contemporary touch to any workspace. Choose from any of BRC's laminate finishes to match your décor, ensuring durability and an elegant look that lasts.

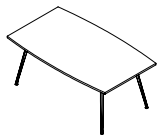

For added versatility, Fit Tables are available in single, dual, and three-section configurations, allowing you to customize your table size to fit your needs. Optional power modules ensure seamless connectivity for meetings, while a competitive price point makes Fit Tables a smart investment without compromising on quality. Elevate your workspace with the perfect combination of style and practicality.
