## VERSATILE. FUNCTIONAL. COMPETITIVE.

Introducing Nova Tables—designed for versatility and efficiency in conference and meeting spaces. With a laminate base that includes integrated wire management, Nova Tables provide a sleek and organized solution for any professional setting. Choose from ten distinct table shapes and two base styles, offering both functionality and aesthetic appeal. Available in BRC's laminate finishes, Nova Tables deliver durability and style to match your office environment.

For added convenience, optional power modules can be seamlessly integrated, keeping your devices charged and ready during meetings. Nova Tables are available in single, dual, or three-section configurations, ensuring they are the perfect fit for spaces of any size. All this comes at a competitive price point, making Nova Tables an ideal choice for modern, budget-conscious workplaces.
