

LOCKERS

SINGLE AND TEAM LOCKERS

abrc

SECURE . ORGANIZED . FUNCTIONAL

BRC laminate lockers are the adaptable and spacious storage solution for storing personal belongings in any space. This secure, private storage is available in a multitude of configurations while offering unique design features, digital locks and recessed kick plates. BRC offers one of the widest ranges of locker configurations in the industry.

The BRC Lockers solution provides effective options for single or shared usage, offering digital keypads where a common code can be shared. BRC lockers not only embody functionality, but are visually appealing by offering various standard finishes, handle styles and a recessed front detail. These lockers have an economically friendly design where parts are manufactured to allow for replacement in the field.
