

# SOFTSCAPE

Price Guide - 2026 R2

# Thank you for choosing BRC

Established in 1979 and incorporated in 1983, BRC Group has grown into a leader in the research, development and manufacturing of high quality ergonomic office furniture. BRC is a Canadian-owned private company with modern manufacturing facilities in Georgetown, Ontario, Canada.

BRC is a forerunner in blending environmental initiatives with the manufacturing of renewable and recyclable products. BRC uses materials and manufacturing processes which virtually eliminate Volatile Organic Chemical (VOC) emissions in the office environment. Raw materials are responsibly sourced, assuring that only the best and most sustainable components are converted to finished goods. BRC is committed to developing and offering the best-value products for the middle and higher end markets.

From OEM solutions to obscure designer requests to simply striving to be better, BRC provides creative and innovative customized solutions to complement any environment and use. Flexible manufacturing offers the ability for BRC to respond to client's special needs rather than having standard catalogue solutions. A wide collection of textiles, laminate finishes and wood veneer allows companies and individuals to express their brand and culture through a unique signature look.

All furniture is designed and manufactured to meet or exceed ANSI-BIFMA standards. Standard construction uses a combination of 3/4" and metal to metal commercial grade connections for solid enduring assembly. The newest edge banding technology, in which the edge tape is melted directly to the edge of the board, enables BRC to manufacture products with virtually invisible glue lines.

The BRC Team works hard to earn and keep your business - our success depends on it. If you have any questions or inquires, please contact us at [info@brc.group](mailto:info@brc.group) or toll free at 1-877-260-4309.

We appreciate your business and look forward to hearing from you.

## Warranty, Terms & Conditions

BRC is pleased to offer one of the most competitive warranties in the industry. All furniture products carry a 12 year limited structural warranty. BRC furniture panel and table electrical cabling carry a 3 year limited warranty. All moving user adjustable components carry a 5 year limited structural warranty. All other electrical or electronic elements of BRC furniture carry a 1 year limited warranty.

For full warranty details, terms and conditions, please visit [www.brc.group/warranty](http://www.brc.group/warranty)

## Shipping Rates & Policies

Shipping costs are calculated based on net order value and destination. In many cases, the freight cost may be included in your order. For detailed information, visit our website at [www.brc.group/freight](http://www.brc.group/freight)

# General Specifications

## Summary

BRC's Softscape series of acoustic panels offers the ability to add privacy and sound reducing capabilities. Designed specifically for the Mesa height adjustable series, the privacy screen and modesties are a perfect addition to our best selling table.

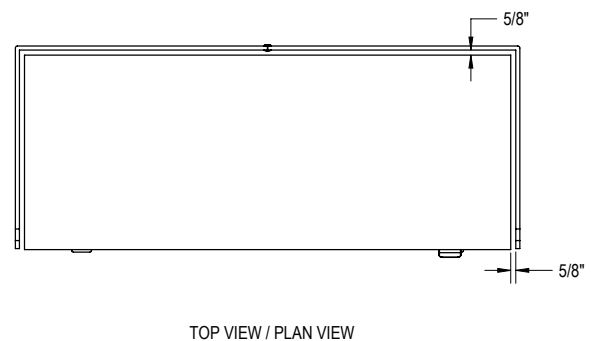

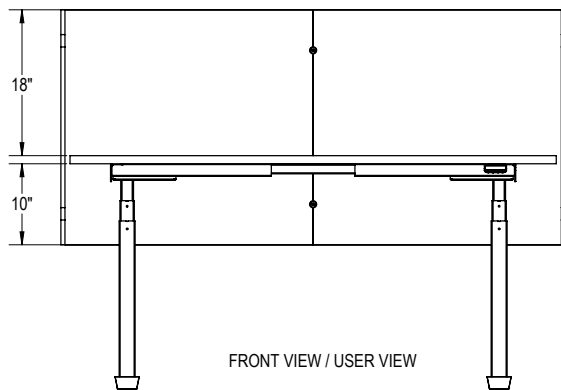

## What is PET?

BRC's Softscape material is made from partially recycled Polyethylene Terephthalate or PET. PET is a strong and versatile thermoplastic polyester widely used in a lot of everyday products such as beverage bottles, food container and textile fibers. PET is known for being lightweight, durable and highly recyclable, in fact, PET is the most recycled type of plastic.

## Dimensions

Privacy screens are manufactured to have 18" above the worksurface and 10" below the worksurface. These dimensions are fixed and cannot be changed in the field.

The privacy screen brackets have been designed with integrated wire management and should be installed so there is a 5/8" / 16mm gap between the screen and the edge of the worksurface.

## Custom Sizing

BRC has built a reputation on custom tailored product based on our standard offering. Most items can be ordered in sizes that are not listed in this price guide, especially sizes that are between the minimum and maximum sizes offered. Please contact your BRC representative to help with your custom project.

# Cleaning & Maintenance

## BEST PRACTICES

To keep your furniture products looking their best, BRC recommends the following general care and maintenance:

### Low Pressure (LPL) LAMINATES Cleaning:

Dust laminated surfaces off prior to cleaning. Wet a damp cloth with water, a mild soap or one of our approved cleaning products. Do not use abrasive cleaners as they may scratch or affect the surface appearance. Wipe the surface with the grain (where applicable) using a dry soft cloth.

Approved cleaning products: Glass Plus®, Dawn®, Pledge®, Mr. Clean®, Windex®,  
For disinfecting surfaces use products such as: LYSOL®, VIREX®, PURELL®, VIROX®

After use of the above disinfectants ensure that the surfaces are wiped with a damp cloth to remove any product residue.

Take note that any product with Hydrochloric, Sulfuric, or Phosphoric acid may permanently damage the surface. Abrasive elements and excessively acidic or alkaline solutions should be avoided. Prolonged exposure to wet surfaces and/or direct contact with water should be avoided.

### High Pressure (HPL) LAMINATES Cleaning:

Dust laminated surfaces off prior to cleaning. Wet a damp cloth with water, a mild soap or one of our approved cleaning products. Do not use abrasive cleaners as they may scratch or affect the surface appearance. Wipe the surface with the grain (where applicable) using a dry soft cloth.

Approved cleaning products: Glass Plus®, Dawn®, Pledge®, Mr. Clean®, Windex®,  
For disinfecting surfaces use products such as: LYSOL®, VIREX®, PURELL®, VIROX®, Fantastik®, multi-surface disinfectant, Clorox® Disinfecting Wipes, Caviwipes™, Cavicide™

After use of the above disinfectants ensure that the surfaces are wiped with a damp cloth to remove any product residue.

Take note that any product with Hydrochloric, Sulfuric, or Phosphoric acid may permanently damage the surface. Abrasive elements and excessively acidic or alkaline solutions should be avoided. Prolonged exposure to wet surfaces and/or direct contact with water should be avoided.

### Acrylic Tiles And Panels:

Dust regularly to keep surfaces free of dust particles. Clean any dirt or stain with a damp cloth. Do not use chemical cleaners or window cleaners as it may alter or permanently affect the surface appearance.

### Tempered & Laminated Glass:

Dust regularly to keep surfaces free of dust particles. Clean any dirt or stain with a damp cloth. Do not use chemical cleaners or window cleaners as it may alter or permanently affect the surface appearance.

### Edge Trim:

To remove minor scuff marks and general dirt from bases and connectors, use warm water and a soft cloth. Do not use harsh abrasive cleaners, as they may cause permanent scratches on the surface.

### Painted Metals:

Clean these products, use a damp cloth, using only a small amount of lukewarm water if necessary. Abrasive elements and excessively acidic or alkaline solutions should be avoided. Prolonged exposure to wet surfaces and/or direct contact with water should be avoided.

### Standard Fabrics & Softscape PET:

Standard Care Label W-S. Clean with water based cleaning agents, foam or pure, water free solvents. Vacuuming or light brushing is recommended to prevent dust and soil buildup.

### Bleach Cleanable Fabrics:

Bleach is an effective disinfectant, which means it kills most bacteria, fungi and viruses. When fabrics need to be disinfected or sterilized, use a 1:10 household bleach-to-water solution.

Do not saturate  
or soak furniture  
with cleaner

Use spray or  
damp cloth  
only

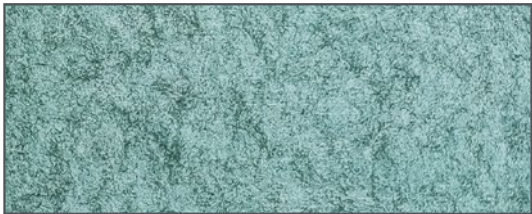

Wipe with damp cloth  
using fresh water  
after cleaning

# Softscape Straight Version

BRC Softscape series of acoutic screens are available in two distinct designs - Straight and Curved. The features of the Straight design are detailed below.

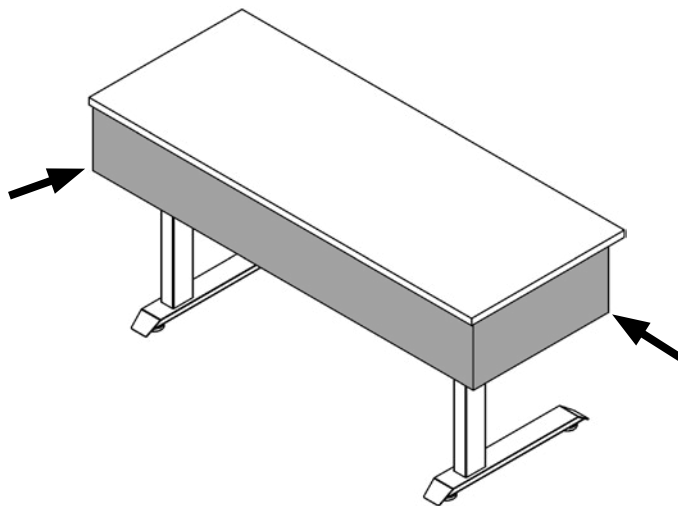

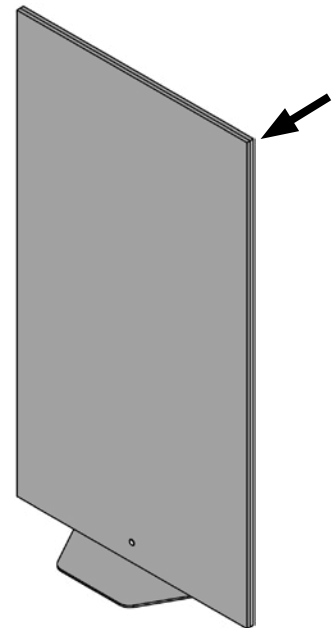

## Privacy Screens:

- All panels feature straight profiles with no curved contours
- All corner edges have a 0.5"/12mm radius
- Screen returns are formed at 90-degree angles
- Formed from a single, continuous piece of PET. Some size exceptions apply; see product pages for details.

## Freestanding Screens:

- All panels feature straight profiles with no curved contours
- All corner edges have a 0.5"/12mm radius

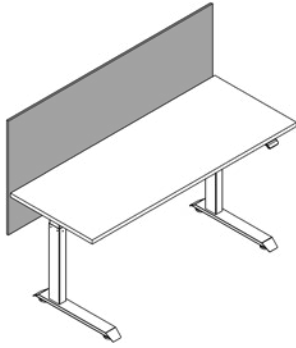

## Modesty Panels:

- All panels feature straight profiles with no curved contours
- All corner edges have a 0.5"/12mm radius
- Modesty returns are formed at 90-degree angles
- Formed from a single, continuous piece of PET. Some size exceptions apply; see product pages for details.

| MPSHP     | W82   | D23   | H29    | R    |

- 23" and 29" depths are available for 29" deep tables. Specify 23" for a partial-depth application or 29" for a full-depth application.
- Screen constructed from 1/2" thick tackable material
- Includes mounting hardware bracket with integrated wire management
- Provides 18" above and 10" below the surface
- Specify handedness left 'L' or right 'R' when ordering
- Depth and widths are nominal, measuring 1.125" more than the listed size
- Screen available in all standard Softscape finishes
- Hardware available in all standard metal finishes

## For 23" Deep Tables

| OVERALL SIZE |       |        |         |

### Features & Specifications

### No Charge Options

- For 23" deep tables, specify 17" for partial depth or 23" for full depth; for 29" deep tables, specify 23" for partial depth or 29" for full depth.
- Screen constructed from 1/2" thick tackable material
- Includes mounting hardware bracket with integrated wire management
- Provides 18" above and 10" below the surface
- For 23" depths, widths of 76" and above will be constructed in two pieces
- For 29" depths, widths of 70" and above will be constructed in two pieces
- Alignment clip included with two piece screens
- Screen available in all standard Softscape finishes
- Hardware available in all standard metal finishes

### Features & Specifications

- For 23" deep tables, specify 17" for partial depth or 23" for full depth; for 29" deep tables, specify 23" for partial depth or 29" for full depth.
- Screen constructed from 1/2" thick material
- Includes mounting hardware bracket with integrated wire management
- For 23" depths, widths of 76" and above will be constructed in two pieces
- For 29" depths, widths of 70" and above will be constructed in two pieces
- Alignment clip included with two piece screens
- Can be installed flush to worksurface underside or with a gap for wire management

### No Charge Options

- Screen available in all standard Softscape finishes
- Hardware available in all standard metal finishes

# Softscape Curved Version

BRC Softscape series of acoutic screens are available in two distinct designs - Straight and Curved. The features of the Curved design are detailed below.

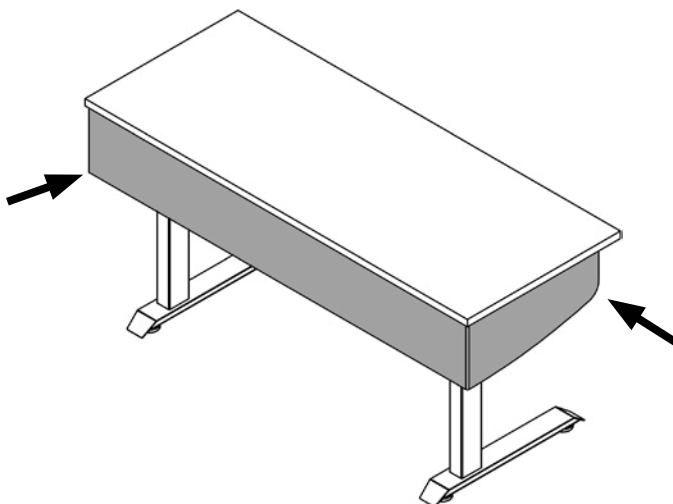

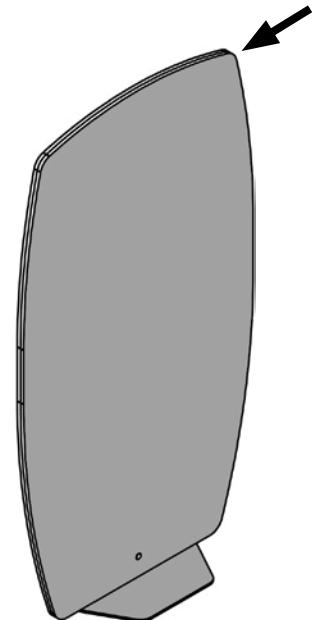

## Privacy Screens:

- Side returns feature a curved outer profile
- All panel corner edges have a 2"/51mm radius
- Screen returns are formed at 90-degree angles
- Formed from a single, continuous piece of PET. Some size exceptions apply; see product pages for details.

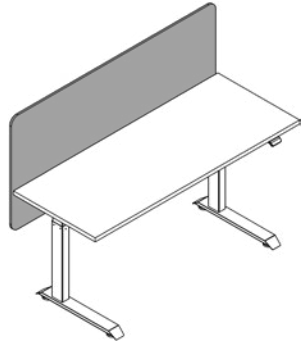

## Freestanding Screens:

- Top and vertical edges feature a curved outer profile
- All panel corner edges have a 2"/51mm radius

## Modesty Panels:

- Side returns feature a curved outer profile
- All panel corner edges have a 2"/51mm radius
- Modesty returns are formed at 90-degree angles
- Formed from a single, continuous piece of PET. Some size exceptions apply; see product pages for details.
