

FILING

abrc

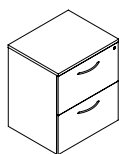

VERSATILE. SECURE. PRACTICAL.

BRC filing solutions provide versatile, secure storage for a variety of workplace needs. Available in lateral and vertical configurations, with a range of sizes and styles to choose from, our filing solutions make it easy to organize and store documents while fitting efficiently into individual workspaces, shared areas and private offices.

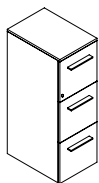

Standard features include locks and hanging file bars. Lateral files also include a safety interlock system that allows only one drawer to be opened at a time. Counterweights are available on most models for added stability.
