

RECEPTION UNITS

A modern, minimalist reception unit made of light-colored wood. The unit has a curved top edge and a thick, solid wooden countertop. On the left side of the counter, there is a clear glass vase filled with greenery and small white flowers. In the center of the counter, a black laptop is open. Behind the counter, a wooden partition is visible. The background wall is made of horizontal wooden planks, and a black wire pendant light hangs from the ceiling. The floor is covered with a grey carpet.

STYLISH. FUNCTIONAL. ACCESSIBLE

As the central part of any office, a reception desk should be stylish and functional. BRC will work with you to design a reception desk that not only looks great but fulfills all of your reception needs. Design options can include pedestals, mail slots, and a counter for accessibility.

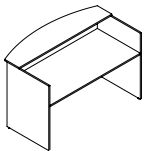

BRC also offers an extended folding counter to use as a writeable surface for a sign-in guest book or for completing forms while conveniently adding distance. BRC reception desks are truly functional furniture!
