

SOHO

The image shows a contemporary office environment. In the foreground, a white desk with a wood-grain base holds a laptop. An orange office chair is positioned behind the desk. The background is a white brick wall, and the floor is a light, reflective surface. The word "SOHO" is displayed in white text above a green horizontal line.

abrc

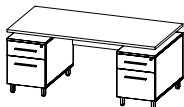

ERGONOMIC. ADJUSTABLE. INTEGRATED

BRC is combining health-positive movement and efficiency with this attractive height adjustable desk that doubles as a storage solution. SoHo includes an executive base format, and is an ergonomic solution for managerial applications. Adding to the sophistication of this product, the SoHo features an advanced control handset that allows users to track minutes spent standing and calories burned throughout the day. This useful function includes an alarm reminding users when it is time to stand.
